## About US

Xiamen Champion Building Materials is a family owned manufacturer and exporter of high quality natural stone products and kitchen & bathroom furniture . and we specialize in providing an exceptional variety of materials, such as granite, marble, travertine, quartzite, and onyx to fabricators, wholesalers, distributors, and designers throughout the world. We also have the ability to offer cut-to-size materials, direct container loads, and custom orders in a virtually limitless supply of colors, sizes and finishes.

Champion Stone is honored to be one of the Member of **National Quarry Owner Alliance** with family Quarry **Silk white marble**, and through long-term mutual cooperation and very good relationships with other **390** quarry owners, we have great and unparalleled advantages over other factories and exporters. Besides, we has been seeking and launching the new stones every year throughout the nationwide and engaged to attach elegance and simple beauty decoration to consumer' s homes.

With our continued success we have expanded our presence in the industry and besides our factory **Huazhi Stone marble factory** located in **Shuitou China**, we have more than 40 cooperation processing factories to help processing blocks into finished products. These factories locations in Xiamen, Shuitou, Yichang, Wuhan, Jiujiang, Yunfu, Chongqing, Qingdao. We recognize that our future is dependent on our ability to service the needs of our clients and create more value for our clients, and our goal is to consistently meet or exceed our clients' expectations in order to enjoy shared success in the years to come.

If you have any inquiries or suggestions please reach out to us at any time.
